

Complete Research Permit and Reporting System (RPRS) investigator account (IRMA Partner Access Account already created)

Log In with an IRMA Partner Access Account

Once a Partner Account has been created and activated, the account can be used to access IRMA resources. To log in with a Partner Access account, navigate to the application being accessed (RPRS: <https://irma.nps.gov/rprs> or a list of applications is available at <https://irma.nps.gov/>). Click the Log On link in the top right corner of the page.

Enter the username and password for the Partner Access account and click Sign In. Three failed attempts will result in the account being temporarily locked.

Sign In

Click here to register if you don't have an account.

Click here if you have forgotton your password.

Click here if you have forgotton your username.

After successfully logging in with Partner Access credentials, the page will redirect to the RPRS where the logon process began. The partner will remain logged in as long as the web browser session is open. Closing the web browser will automatically log the partner off. If you have not completed your Investigator profile, it will be the first page presented to you when you access the RPRS.
